UNITED PRESS SERVICE

ROOMS NEEDED

The local Chamber of Commerce office is receiving requests from DePauw students for information regarding available rooms for rent. Hundreds of visitors shall require housing the week-end of May 10 and 11 when May Day and Mother's Day shall be celebrated. June 6-7-8, the Alumni Day activities and Commencement at the University, will tax the housing facilities of Greencastle again.

As a service to the people of our community who have rooms for rent and also to those seeking such accommodations, the Chamber of Commerce is prepared to receive this information and to make it available to persons asking for it.

If you have a room for rent and would care to list it with the Chamber of Commerce office, you may do so by calling 87. Calls should be made between the hours of 1 and 5 o'clock in the afternoon.

CLOVERDALE LIONS CLUB MET MONDAY

LOCAL JEWELER GIVES INTERESTING TALK ON DIAMONDS

The regular meeting of the Cloverdale Lions Club was held Monday evening at the Masonic hall where the Eastern Stars served a fine dinner. Millard Vaughn, president, was in charge of the meeting. Richard Drake, local jeweler, furnished the program, giving an interesting talk of "Diamonds." He told how the diamonds are mined, first from India, thence South America, and later in the wonderful South African fields. He followed the diamond in the rough through the many processes it goes into, before it graces the fair ladies finger and how the use of diamonds in industry has developed in recent years. Nothing is wasted from the cutting of diamonds as the pieces are used for industrial purposes because of the hardness. He said diamonds are pure carbon, but had been formed in centuries past deep in the earth where there was plenty of heat and pressure. They are nine times the value of rubies, next of the precious gems, and emeralds and sapphires, which make up the precious gems group. Mr. Drake was introduced by Curt Neal, program chairman for the month.

An invitation was read from the Fillmore Lions Club asking them to present a float in the centennial parade on June 21, but no action was taken on it.

The club voted to give all assistance possible to the Eagle Dam group at their dedication program on June 18. A committee including Charles Rockwell, J. E. McCoy and Charles Whitaker, was named to aid the dedication officials.

President Vaughn named a nominating committee including Gene McCullough, Ira Knoll, Glenn Allender, Russell Coons and himself to select officers for the coming year. They will be elected in June.

Charles Whitaker was the busiest man present. He is tail twister and if one look askance, he was fined. Ira Knoll was the victim of the Tail Twister when he won the election to meet at 7:30 fast, by voting with both hands, but it cost him, because eagle eye Charley was watching.

PRESENTED AS IKE'S SUCCESSOR

HE NAME of Gen. Matthew Ridgway, shown with his wife and 4-year old son Matty in Tokyo, reportedly has been presented to the 14-nation IATO council in Paris as successor to Gen. Dwight D. Eisenhower as supreme commander of NATO forces in Europe. According to the report, Ridgway's name was sent by President Truman after the council unanimously decided on an American general. ASSESSORS BUSY

Greencastle township assessors are nearing the completion of their work, and some have indicated they will not be able to complete the task within the 40 days time allowed in the appropriation of the county council. Township assessors have been told to turn in their books at the end of the 40 days, they report, regardless of whether or not they have completed their work, but Mrs. Lee Reeves, county assessor, says most of them will finish the job, despite the fact that 40 days was all that was granted.

A. Stone, elected township assessor, is working at the Union building and has turned the duties of his office over to Mrs. Stone, who has told the deputy assessors to turn in their records at the end of the 40 days, and those who have not been assessed will have to be added by some other officials.

Mrs. Reeves says the assessors over the county have complained a lot about their salaries being limited by the council, but she believes they have all about completed their work.

COUNTY WILL HOLD PRIMARY NEXT TUESDAY

One week from today, Putnam county voters will have the opportunity of choosing their officers for the next two or four years. They will also have the privilege of voting for delegates who will help name the next governor of Indiana.

This is a privilege that no one in the county should overlook. Regardless of party affiliation, every voter should go to the polls, because many have said "it can't happen here" but "it" has happened in a lot of places.

Probably not in the history of Putnam county, has there been as quiet a pre-primary election time as we have experienced during the past few weeks. Neither the Democrat nor the Republican ticket is filled. But both will be filled by appointment during the summer as the law provides. Old timers and many not so old, recall when a dozen candidates were in the field for sheriff and many for other offices. Now only in two spots are there contests on the county ticket and both are for the office of auditor.

We hope the turnout at the polls a week hence will be big, but we have our doubts about it. However, every man and woman in the county should consider it his duty to vote, both in the primary election and again in November.

ABSENT VOTERS

Persons lawfully entitled to vote an absent voter's ballot in the County Clerk's office, may do so by appearing in person with two freehold registered voters residing in the same precinct. The law has been changed and it is now necessary that the freeholders sign the application with the applicant. Voters who qualify under the absent voters' law may vote in person at the Clerk's office to and including Saturday, May 3rd.

WATER WORKS PETITIONS FOR RATE INCREASE

WILL AFFECT ALL USERS OUTSIDE CORPORATE LIMITS

The Department of Water Works has filed a petition with the Public Service Commission of Indiana, asking permission to increase water rates to all subscribers outside the city limits of Greencastle.

Heretofore the rate has been \$1.25 per month, and the new rate will be \$2.00 per month, but at the same time subscribers will be granted the use of 400 cubic feet of water for the \$2.00, whereas at present they only get 200 cubic feet for the minimum rate.

GOP STATE CONVENTION IS JUNE 7

REPUBLICANS CHANGE INDIANA SESSION FROM JULY 3

INDIANAPOLIS, April 29.—(UP)—Indiana Eisenhower-for-president leaders revamped pre-convention tactics today to coincide with the change in dates of the state Republican nominating convention.

George Diener, Marion county Ike-for-president manager, said the change would hurt Eisenhower's campaign for some of Indiana's 32 national convention delegates. Diener said the General planned to return about June 1 and take a week's vacation before beginning a political campaign.

Cale J. Holder, state GOP committee chairman, confirmed the change from July 3 to June 7 late yesterday. Officials at the Indiana state fairgrounds coliseum, the convention site, practically made it official when they announced the old date was cancelled and the new one booked.

"This movement of the date forward brings it to the period when he (Eisenhower) would be on his vacation," Diener said. "Personally, I feel he will not take a vacation now."

"We have written Sen. (Henry Cabot) Lodge asking that Eisenhower make a major address as soon as he lands in the U. S."

Opposition to the change centered in the state headquarters boosting Gen. Dwight D. Eisenhower for the GOP presidential nomination. Spokesmen claimed the state committee was backing Sen. Robert A. Taft and changed the date to head off an Eisenhower campaign for Hoosier delegates.

Some of the seven announced Republican candidates for the gubernatorial nomination said they didn't mind the change in dates, but Eisenhower state headquarters denounced the move as "an admission of defeat."

Diener charged maneuvering the date indicated "the Republican state committee is more interested in controlling the or- (Continued on Page Two)

Accident East Of Mt. Meridian

Two autos were damaged an estimated \$400 in an accident on U. S. 40, one-half mile east of Mt. Meridian at 5:30 p. m. Monday.

Trooper Grover Vaughn, of the Putnamville state police post who investigated the accident, reported that no one was injured.

William Kehler, of Cliffside Park, New Jersey, was driving east on 40 and stopped a short distance east of Mt. Meridian. His 1950 Chrysler was at an angle, however, and the left rear end remained partly on the traveled portion of the pavement.

Trooper Vaughn said that Wesley P. Davis, of Austin, Texas, driving a 1941 Buick sedan and also going east, hit the left rear end of Kehler's car due to the fact that two other cars were going by in the passing lane.

The Davis car was damaged about \$300 and there was approximately \$100 damage to Kehler's automobile.

Sgt. Scobee is the son of Mrs. Mayme McCullough, of this city and the husband of Mrs. Georgi Anna Scobee. He has one son, David Scobee.

EXTRA!

WASHINGTON, April 29.—(INS)—Interior Secretary Chapman hinted today at possible government seizure of the petroleum industry if oil workers go on strike tomorrow as scheduled.

Chapman refused to predict whether President Truman would take over the oil industry as he did the steel companies, but he said he had the men and machinery to operate the petroleum firms.

WASHINGTON, April 29.—(INS)—The Justice Department today backed down from its contention that the Constitution does not limit President Truman's emergency powers but insisted that his steel seizure action was within the Constitution.

Assistant Attorney General Baldrige outlined the new stand in a supplemental memorandum as Federal Judge David A. Pine prepared to render a momentous decision on the President's seizure of the steel mills.

The verdict is expected late today.

INDIANAPOLIS, April 29.—(INS)—Gov. Henry F. Schricker today announced the resignation of Arthur M. Thurston, 38, as superintendent of Indiana State Police to become executive vice president of the Farmers National Bank at Shelbyville. Thurston's resignation will become effective July 1.

The Governor expressed deep regret and said:

"Indiana is losing one of her finest officials."

Gov. Schricker said he does not know who will be named successor to Thurston, but that one will be appointed before the July 1 deadline.

RIO DE JANEIRO, April 29. (INS)—A Pan-American World Airways plane bound for Trinidad and New York with 41 passengers and a crew of nine crashed in the jungle today. The crash was announced by the airline.

Rescue planes from the Ramey Air Base left for the crash site.

NEW YORK, April 29.—(INS)—Judge Saul S. Streit suspended sentence on three former Kentucky stars caught in the basketball fix today but lashed out at their University as having helped bring on "the darkest blot on American college athletics."

All three players—former all-American olympic stars Ralph Beard and Alex Groza and their teammate Dale Barnstable—were placed on indefinite probation by the angered judge who said Kentucky spent more on football and basketball than professional teams. (Continued on Page Two)

RUSS FIGHTER PLANES FIRE ON AIRLINER

4 PERSONS WOUNDED IN AIR INCIDENT NEAR BERLIN

BERLIN, April 29.—(UP)—Two Soviet jet fighter planes attacked an Air France DC-4 Sky-master over the Soviet zone of Germany today and wounded two passengers and two crewmen.

The bullet-riddled plane, bound from Berlin to Frankfurt in the U. S. zone of Germany with 11 passengers and six crewmen, turned back to the former German capital and landed safely at Tempelhof Airfield.

The Soviet jets made four or five passes at the airliner with small cannon fire near Dessau, 60 miles southwest of Berlin, and Konners, 25 miles farther southwest.

A German woman passenger was wounded seriously in the stomach and a male passenger was hit in the left arm and leg. The steward was hit in the thigh and the co-pilot in the back, Air France said.

There were at least 12 bullet holes in the gasoline tank, right wing, belly and front of the Sky-master.

Pilot Gilbert Schwallinger nursed the DC-4 back to Tempelhof, western Berlin's commercial airfield in the American sector. An American spokesman there said it was a "miracle" the plane did not explode.

BERLIN, April 29 (UP) — American officials said an unidentified plane fired on an Air France transport plane en route to Berlin today and wounded a passenger.

Neither American nor French officials said who made the attack, or how it was made. However, unconfirmed reports said two Soviet fighter planes fired on the airliner.

The plane landed at Tempelhof airfield, the commercial air terminal in the U. S. sector of Berlin.

Planes flying to Berlin fly over the Russian zone of Germany through air corridors set up by Four-Power agreement. The Soviets at present are carrying out air maneuvers in the area.

The Sky-master was a half-hour out of Berlin when attacked.

Commercial flights over the Soviet zone were suspended pending an investigation.

A report on the incident by American authorities said that an Air France Sky-master was fired on a half-hour out of Tempelhof and that two passengers were injured.

Air France officials here said the shooting occurred near Dessau, 60 miles southwest of Berlin. However, Air France headquarters in Paris said the attack was made while the plane was flying at an altitude of 7,000 feet over Monneron, 25 miles southwest of Dessau.

Ralph Groves, of Brazil, found guilty of slaying the soldier by a Greene County jury, faces life imprisonment. He now is 34 years old.

The prisoner was brought to Michigan City by Greene County Sheriff Lem Clark and two other officers.

FRANKFURT, April 29—(INS)—Gen. Dwight D. Eisenhower said today he believed the Russian attack on a French plane over Soviet-Germany appeared to him to be a matter that should be handled through diplomatic channels.

He refused to comment on the incident beyond saying:

"I would say it belongs to the State Department."

"We feel it is an admission of defeat for the Taft forces," he said.

Holder did not mention the Eisenhower-Taft angle. He said new national committee rules required state conventions to meet at least 30 days before the national get-together July 7. Previously, the Indiana convention would have met only four days prior to the Chicago meeting.

D. A. R. Plans To Present Medal

The Washburn Chapter Daughters of the American Revolution project of presenting a medal to the outstanding student of History or Civics in the High Schools of the County has been completed in the schools that are out for the 1951-1952 year. The winners in these schools are Roachdale in History, Judy Gough; Cloverdale in Civics, Nila Grove; Russellville in History, Gene Clodfelter; Fillmore in History, Barbara Chadd; Bainbridge in History, Eleanor Tiffin; Belle Union in Civics, Jimmy Walker. Reelsville did not have a class in either subject this year. The Greencastle winner will be announced at Awards Day May 16.

The lesson was on safety in the bath room. The First Aid class was postponed until fall. Three meetings of interest were planned for the near future. The tea in honor of the 100% members on April 30, in the Union building; May 2nd, a frozen food demonstration at Weesner's store; and a public policy meeting to be held in the Union building on May 20. Mrs. Lorene Thomas and Mrs. Hazel McCullough gave a very interesting lesson on refinishing furniture. It was decided to have a called meeting at the home of Lorene Thomas on May 13th to do some work on refinishing furniture. Bring a sack lunch and materials to work with.

The meeting closed with the club prayer. Refreshments of cake, ice cream and frozen strawberries were served by the hostess.

VFW Ladies Auxiliary Sponsors Essay Contest

The Ladies Auxiliary to the Veterans of Foreign Wars Post No. 1550 sponsored an essay contest this year in the local High School. The subject for the essay was "America Is Our Business." The interest of the high school students was very gratifying to the Auxiliary as there were twenty two essays turned in to the judges. Mrs. Harry McClaine was essay chairman for the Auxiliary.

The winners were, Susan Bennett, first, who will receive a \$25.00 war bond; Sherman Reeves, second, will receive \$10.00; Flo Ann McGuffey, third, will receive \$5.00. The prizes will be awarded on Honor Day at the High School.

Mrs. Hodge Honored At Birthday Party

Mrs. Freeda Hodge, class sponsor of the junior class of Belle Union High School this past year, was pleasantly surprised by the members of the class and Mr. and Mrs. Dora Prichard, who gathered at her home to honor her birthday, Monday night.

Mrs. Hodge received many gifts, cards and a huge birthday cake. The group enjoyed games and refreshments of cake, ice cream and cokes.

FISHING FUN!

Malcolm York entered a dandy Crappie yesterday to take over the lead in that division of the Fishing Contest. The entry was twelve and seven eighths inches long, and weighed one pound, four ounces. Tomorrow is the last day of open season for large and smallmouth Bass until June 16. However, all other species of fish are open the year round. We feel sure that the Bluegill department of the contest will show a lot of activity, now that the Bass season is drawing to a close.

period covered from September 1, 1951 to April 26, 1952.

The main library loaned 28,566 of these books and 74,026 were circulated by the bookmobile through the thirteen schools and twelve book stations. The thirteen county schools borrowed 65,524 books during the school year. Miss Sylvia Taylor, librarian reported that this total is more than double the number of books loaned during the school term of 1950-51, when the school total was 35,593 books. Bainbridge school ranked highest in the total books borrowed.

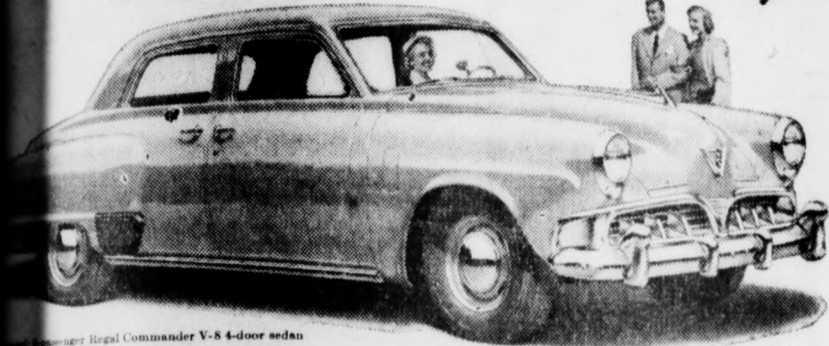

The schools ranked as follows: Bainbridge, 14,989; Cloverdale, 9,465; Belle Union, 9,091; Fillmore, 6,721; Reelsville, 5,470; Clinton Center, 4,319; Russellville, 3,764; Manhattan, 3,668; Putnamville, 1,990; Barnard, 1,954; Centery, 1,528; Brunerstown, 1,392; No. 10, 1,173.

FILLMORE FARMERS 4-H.

The Fillmore Farmers 4-H club met at the schoolhouse April 23 with 21 of the 32 members present. Record books, pamphlets, program books, and other material were passed out. The meeting was called to order by the president, Kenny Ames. The pledge to the flag and the 4-H pledge were led by Doretta Harris. Several songs were sung by the group. The roll call was to name a bird or an animal. The minutes of the last meeting were read and approved. It was voted unanimously to have a softball team this summer. Dues were collected by the treasurer, Shirley Clark. A talk on feeding hogs will be given at the next meeting by Gerald Clark and one on potatoes will be given by Darrell Thompson. The group then went to the gym for recreation.

It's Blackwood For Bridge

An Overtrick
Completes the Contract
Mr. Dale's play was the only bright spot in this hand. The bidding was weird and so was the defense. Mr. Muzzy's opening bid was gruesome and might have got his side in a lot of trouble. West dealer.

Neither side vulnerable

South (Mr. Dale)
S - A K Q 2
H - 10
D - K 4 2
C - Q J 7 5

The bidding:
West North East South
Pass Pass 1 H Dbl.
Pass 2 D Pass Pass
2 H Pass Pass 2 S
Dbl. All Pass

Mrs. Keen's bidding was not as reliable as usual. With two honors in hearts, a fair hand and even distribution, she should have responded to her partner's double with one no trump instead of two diamonds. She would have fared very well at that contract.

The best commentary on Mr. Abel's double is that Mr. Dale made his contract with an overtrick.

The opening lead was the eight of hearts. Dummy ducked and Mr. Muzzy won with the queen. After some thought he returned the king of clubs. When Mr. Abel showed interest with the 10 spot, he led a small club which was won with the ace over Mr. Dale's jack.

A third club was returned and Mr. Abel expected his partner to trump. But Mr. Dale won with the queen. He led his deuce of spades and won with dummy's jack when Mr. Abel played low. Spade was led back to the ace and Mr. Muzzy dropped a small heart.

Mr. Dale stopped to count. Mr. Muzzy had started with one spade and three clubs, leaving him nine cards in the red suits. Almost surely he had the queen of diamonds and the king of hearts left. He could hardly have started with more than five

hearts as Mr. Abel should have held three hearts for his raise.

Mr. Muzzy would have to hold two hearts and three diamonds to guard those suits. Six tricks had been played. Mr. Dale could win the next two tricks with top trumps. And the lead of the good club would get everybody down to four cards.

So Mr. Dale cashed his king and queen of spades and led the seven of clubs Mr. Abel trumped with his last spade—and Mr. Muzzy was squeezed. Dummy's last four cards were the ace and jack in both red suits.

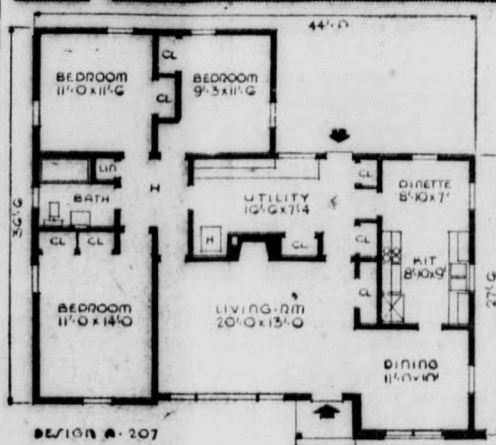

Mr. Muzzy held the king and one heart and three diamonds to the queen. It was the play. He discarded the seven of diamonds. And Mr. Dale took the last three last three tricks in the diamond suit.

Desert Song—Sour

THINGS ARE POPPING in the Sultanate of Lahej (underlined) in the British protectorate of Aden with British troops reported occupying the area to restore order. Sultan Fadhli Abdul Karim, who has 42 wives, fled to adjoining Yemen during an inquiry into deaths of two of his cousins, believed murdered after being lured back from banishment. Further heat on him was a palace mutiny which occurred when the sultan took as brides some of the fiancées of his guard, causing 60 young girls to be smuggled out of Lahej to escape the "honor" of becoming Mrs. Sultans. OWN YOUR OWN HOME

THE ASBURY has a large utility room with three closets and a cabinet substitutes for a basement in this plan. It also houses the heating and laundry equipment.

A galley-type kitchen with cabinets on opposite walls allows for a large cross-lighted dining space in the kitchen. In addition, there is a double glazed picture window and fireplace in the living room.

Wardrobe closets in the bedrooms, three closets in the utility room, linen cabinet and coat closet provide for storage needs.

The first floor consists of an insulated slab of gravel fill. Exterior finish is asphalt shingle, with siding and a touch of brick

in the front. Overall dimensions are 44 feet by 27 feet 6 inches. Area is 1,302 square feet, cubage 16,356.

For further information about THE ASBURY, write the Small House Planning Bureau, St. Cloud, Minn. In Canada, the Small House Planning Bureau of Canada, Box 1193, St. John's, New Brunswick.

LOOKING... AT LIFE

BY ERICH BRANDEIS

This is one of those exasperating mornings when Nature invites you to come out and play, and when she seems to say:

"Don't be a fool! Why work when you can have so much fun with me?"

The daffodils are in full bloom. When I went out to the mailbox for my newspaper a little while ago, I stopped off at the daffodil beds and brought in about fifty of those lovely yellow things.

The birds are singing their heads off. Right outside my window, where the wistaria is beginning to bud, one robin just proposed to his mate with a sweeter song than Johnny Ray or Dinah Shore will ever be able to sing.

The sky is a heavenly blue, the sun is nice and warm, I feel like Spring—but my typewriter is telling me to write that column for you.

So here I sit and wonder what other, easier business I would rather be in. There must be something non-criminal with little work and big money in it, something that lets you enjoy Spring.

I have been thinking about several things that I could go into.

By the way, don't mind all the Capital "I's" in this column. Just change them all to "you" if you feel like it.

Here is something that looks pretty good.

I see by the paper that in New York there are several fellows who make good money in a very unusual business.

They are "gun renters." If anybody wants to commit a murder or a stickup, they rent him a gun at so much per crime. The bigger the crime the higher the rate for the rental.

However, in case of a murder, a gun is never rented again. It becomes "hot," and according to the code of the underworld it is bad luck to commit murder with the same gun twice.

On second thought, however, I won't be a "gun renter."

It would interfere with my sleep.

Here is something else I have been thinking about.

In France they have people who take pigs out into the woods to root up truffles.

Truffle raising is a very remunerative business. All you have to do is to take the pig out for a walk into the woods and both you and the pig can have a good time together.

And, as far as that's concerned, I would just as soon listen to the pig's grunts and squeals as to some of the crooners on radio and television, or to many of the political speakers.

A business that has always appealed to me is that of window washer.

I understand these fellows cleaning the windows of skyscrapers, like office buildings and hotels, see all kinds of things.

On the other hand, they often fall down twenty or thirty stories and get killed.

So I guess that's out, too.

Well, what do you think of that! Here my column is all written, and I am free for Spring. Maybe I'll stay in this business, after all.

Chrysler V-8 Saratoga Sedan, gasoline economy winner in Class "F". Entered and driven in the 1952 Mobil Gas Economy Run by Chrysler Dealer Mel Ashbury, Hollywood. It was one of three Chrysler FirePower V-8's to win in their respective classes.

180 HP CHRYSLER V-8 FIRST
IN 3 CLASSES IN ECONOMY RUN!

Here is truly dramatic proof that Chrysler's great new FirePower 180 HP V-8 engine design sets an entirely new standard of efficiency among American passenger car engines!

In this annual economy test, rigidly supervised, and limited strictly to stock car entrants, cars competing are divided, by price and size, into 11 standard classes. The route, from Los Angeles to Sun Valley, covered 1,415 miles of every possible kind of driving. Average speed for all cars was just under 41 miles per hour.

And in 3 of the 11 classes, the Chrysler V-8 engine was best for gasoline mileage.

In Class "F", this magnificent new engine won first place for a Saratoga 6-passenger sedan (125 1/2-inch wheelbase, 4010 pounds). In Class "H", it won first honors for a Saratoga model 8-passenger sedan (139 1/2-inch wheelbase, 4510 pounds). And in the top price and size, Class "I", it was again first, in a Chrysler

Crown Imperial Sedan (145 1/2-inch wheelbase, 5360 pounds).

To travel these substantial cars at this speed under these conditions gives additional proof, we believe, that here in the FirePower V-8 engine is the finest and most efficient engine ever put into an American passenger car!

WE INVITE YOU TO DRIVE
THIS ENGINE, YOURSELF...

The same engine which has just scored these remarkable accomplishments is no farther from you than your own Chrysler Dealer. He will welcome the chance to let you take the wheel and feel for yourself what Chrysler has done... not only in engine performance, but in power steering, power brakes, new shock absorbers, passenger comfort... to deserve the title: "Finest Car America Has Yet Produced!"

CHRYSLER the finest car America has yet produced

Tiger Cubs Shut Out Monrovia

The Tiger Cubs snapped a two-game losing streak, and demonstrated some long-dormant hitting and pitching power, by shutting out the Monrovia Ramblers by a 4-0 score.

John Braden, still smarting from a 17-1 defeat at the hands of Crawfordsville last week, twirled a neat two-hit job against the plowboys from Morgan county, notching his second victory against one setback.

Dorwin Duncan, lead-off man in the opening inning, provided the winning margin by smashing a tremendous home run deep to center field. Another run was placed in the second on a single by John Stevens, and a two-base error.

The third run was scored two innings later through hits by Bob West, Stevens and Charlie Long. Billy Brown came home with the final run in the fifth on a double, a passed ball, and a wild throw.

FREE GOLF CLASSES

Tommy Hardwick, pro. at the Greencastle golf course, tells us that he has arranged to start the 1952 golfing season with a series of free golf classes for beginners and others who want to brush up on their game at 6:30 Wednesday evening April 30.

This class system was started last year and was so successful that a number of people have requested that it be carried on again this season. Tommy emphasizes that it is set up this year in such a manner that it will be equally beneficial to both the beginner and the player who wants to brush up on the fundamentals of a good golf swing. The intent of this class system is to help the young players, both boys and girls, their fathers and mothers and all others who are interested. If a child is big

Tigers Pound Purdue, 7-5

DePauw took advantage of five Purdue errors in the first two innings yesterday to defeat the Boilermakers, 7 to 5 at Lafayette.

DePauw catcher Bob Pierce supplied the big punch with a grand slam home run in the second frame. Purdue threatened in the ninth but failed to score after loading the bases with none out.

The linescore:

DePauw 1-5-0-1-0-0-0-0-0-7-11-3

Purdue 0-0-0-3-2-0-0-0-0-5-9-5

Bob Thomas, Al Phillips (6)

and Bob Pierce; Pat McGiffin,

Peter Capps (3) Frank Clark

(7) and Harold Wallace.

Old Gold Wins Tennis Match

Winning its fourth match of the season and second in a row, DePauw's racket squad routed Eastern Illinois State Teachers yesterday on the Bowman courts, 9-0.

The Tigers previously had defeated Indiana State, Wabash, and Lake Forest, losing only to Purdue.

Only two of yesterday's matches went to the limit, with Jim Manschot taking the full three sets to down Eastern's Glen South in the No. 2 singles, 4-6, 6-2, 6-4, and Bill Pendl and Manschot edging Hunt and Sharp in the No. 1 doubles, 6-2, 2-6, 6-2.

NEW RACE TROPHIES

INDIANAPOLIS, April 29—(INS)—One of the rookies at the 500-mile Indianapolis Motor Speedway race this year will be able to bring home the bacon—not to mention hams and T-bone steaks—even though he may not win the big Memorial Day classic.

One of two new trophies announced today by the Speedway if for the "rookie of the year" who is to be selected by a press-radio committee as the outstanding newcomer in the 1952 race. With the trophy goes \$500 in cash and \$500 worth of the sponsor's product—Stark, Wetzel & Co., meat.

The other new trophy is for the chief mechanic of the winning car, and sets the Wynn Oil company of Azusa, Cal., back \$1,200 in cash plus a diamond-studded lapel pin. All of the trophies offered last year also are being offered again this race.

Roachdale Cast Has Rehearsals

The cast has been chosen and rehearsals are progressing for the musical comedy talent show to be held at the Roachdale high school Thursday and Friday of this week, sponsored by the Delta Theta Tau sorority, for the benefit of their annual nurses scholarship and their summer kindergarten. The starting time both evenings will be 8:15.

Charlie Howard will impersonate Milton Berle as he lines up the cast in television studio and tells them their duties. Mrs. Margaret Crosby and Mrs. Eleanor Harris will act as Fran Allison and tell the story of Snow White and the Seven Dwarfs as the fol-

loving children attired in costumes enact the story: Becky Crosby, Charla Kay Purcell, Joe Crosby, Judy Harris, James Harris, Steve Irwin, Earlie Wilson, Patty Espy, David Hutchins, Jimmy Myers. Specialties in this scene will include Debbie Ann Allen, tapping and Judy Corbin and Bonnie Hutchins, twirling. Some of the comedy spots throughout the show, will be when Don Wilson acts as the singing commercial with his versions of various products, Claude Lister will act as Roy Acuff as emcee for a hayride scene with special numbers by Bobby Johnson on his violin and Patricia Henthorne with her accordion and vocalizing and Millie Ann Steele tapping and ballet.

Eston Cooper will impersonate Kate Smith and introduce a group of local ladies in black face known as the jubilee singers. The jubilee singers will be Martha Ann Smith, Jean Crosby, Willie Williams, Mabel Irwin, Nadine Boswell, Eleanor Fletcher, Lethia Myers and Burdette Modlin.

One of the outstanding scenes of the two evenings will be Jack Bailey with his Queen for a Day program. James Reed will impersonate the famous "Bailey" and some lady in the audience each night will be chosen queen and be presented with 13 lovely gifts donated by local merchants and merchants from surrounding communities.

The highlight of the show will be when the following local men dress as babies and impersonate radio and television stars when they were three years of age: Pete Boswell, Bob Frazier, Bill Etcheson, Bud Priest and Howard Wilson.

Mrs. Dorothy Crosby will be the piano accompanist for the entire program and the following high school girls and boys will appear in various scenes in choruses: Marilyn Williams, Janet Jeffries, Jane Irwin, Sandra Crosby, Janet Myers, Judith Gough Marilyn Buser, Carol Hayes, Donna Buxton, Saraa Myers, Marilyn Cooper, Jean VanVactor, Marilyn Asher, Patty Bridges, Jim Bob Steele, Jimmy Page, Ronnie Hale, Jack VanVactor, Irvin Taylor, Dick Harshbarger.
